Circular No.113/48.

Subject:- Export of Handloom Piece goods to Pakistan -
Issue of free licenses.

...

In view of the heavy rush of applications from the public for the issue of free licenses for the export of handloom piece goods to Pakistan it has not been possible to issue such licenses against all the applications. This is likely in some cases to result in shipping opportunities being misused by exporters who have secured freight space for export of their goods to the above destination. It is therefore proposed to follow the procedure outlined below until further orders.

Exporters who have already preferred their applications with this department in response to the Circular No.67/48 dated 19-3-48 and who now desire to export piece goods to Pakistan, may file their shipping bills straightway with the Custom House after obtaining endorsement of the concerned steamer agents on such shipping bills indicating that necessary freight space is reserved or has been allotted for the consignment in question. The steamer agents are being requested separately to make such endorsement on shipping bills in presentation of the endorsed shipping bill to this department these will be passed for shipment after the necessary registration and scrutiny of the shipping bills.

Dear Sri Vedavyasacharya,

3/6/48
3/6

With reference to your Confidential letter No.9098/CB dated 31-5-1948, I send enclosed two Memos issued in this connection which are self-explanatory.

This matter has been fully discussed with the Dewan, Chief Minister and Home Minister on many occasions.

There is no restriction on the export of handloom goods out of Mysore subject to export regulations fixed on this behalf by the Central Government. The whole proceedings taken so far by me are in accordance with law and are otherwise perfectly regular.

If any other report is required on this behalf, please let me know. The Secretary to Government, Food and Civil Supplies, the Dewan and the Chief Minister have examined this matter. It is in the interests of the handloom weavers to encourage exports from Mysore. Pakisthan is treated as foreign territory and in spite of it, there is no manner of objection to our allowing handloom fabrics to leave Mysore State limits. It is for the Central Government, if they consider it ~~desira~~ desirable to stop such export. But till end of July 1948, even the Central Government is committed to supplies of cloth to Pakisthan under existing arrangements. In the absence of any special Government Order to the contrary, I have no option but to continue to permit such exports beyond Mysore.

Yours sincerely,

V. Vedavyasacharya, Esq., B.A.,
Chief Secretary to the Government
of Mysore, Bangalore.
